

FALL REGISTRATION

We are very excited about the coming year for the studio. Classes will start back on August 2nd with the recital on June 4th.

Classes will be offered as listed below for 2 ½ year olds and up.

- The 2 ½ year olds start in the fall with a 30 minute class which is a combination class of gymnastics and dance. This class uses a lot of props and age appropriate songs. After Christmas, the class will be increased to 45 minutes.
- The 3 year olds take an hour class which is a combination class of ballet and gymnastics. After Christmas, tap is added in that same block of time.
- The 4 year olds and up get to select classes a ballet/tap comb class (1hour) gymnastics class (45 minutes) or both (1 hr 45 minutes).
- 5 K and up are offered jazz classes. Also offered are boy's classes in gymnastics. Pre Pointe and Pointe classes which have to be taken along with a ballet class are offered only with permission granted by the instructor. An advanced gymnastics class is offered to be taken along with the regular gym class with permission granted by instructor.

To register for Fall classes, complete the form below and return along with the liability form (which both are on the website if need another copy). This will help in planning classes. If you wait too late there may not be a class offered for your child. I will do my best to accommodate your choices. The registration fee for the year is \$20.00 for former students, new students is \$25.00 (which covers August thru July) and is due at the time of registration. Deadline for registration is June 15th. **It is important to return the form as soon as possible since classes will fill up quickly.** If you have any questions, please give me a call at the studio 956-4512 or at www.mspatriciaschool.com.
