

March/April Newsletter

Please make sure students are dressed for class in the proper attire for gym or dance. Proper attire is listed on our website. Also make sure that their dance shoes are fitting properly. We have many students that have outgrown their shoes. It is important for them to have these shoes to practice for their recital.

The gym leotards have been posted, and we have measured the students for them. The program will be **June 3rd at Byron Middle School Gym at 7:00 p.m.** The deadline to pay for the leotards is Mar 22nd and they are \$25.00 each. Boys will wear the Ms. Patricia's t-shirt and black shorts. The girls will wear black shorts with their leotards unless it is a unitard. They can be cotton or soccer type shorts. If you know now your child will not participate in the performance, please let the teacher know. We will not order leotards unless they are paid for.

There will be no more make up classes after the 1st of April. Each class is working a different routine and it would not benefit them to come to another class. It is very important for them to come to their class so that they will have as many practices before the recital. Some classes have partner routines and it is really important for them to be there.

The studio will be closed from Apr 5th – 9th for Spring Break. This is a scheduled break and there will be no make up classes.
