

November & December Newsletter

With the weather cooling off, dancers can wear long sleeve shirts under their leotards or sweatshirts over the leotard. **Please make sure that your children go to the restroom before class.**

The studio will be closed for Thanksgiving from November 21st – November 26th.

Christmas programs will be held Dec 12th – Dec 17th on the night they usually have class. **The dance classes will perform at 6:30 p.m. for the week night classes and 10:30 for Saturday morning at the stage at the Byron City Complex. The gym classes will perform at the studio with times listed below.** Students are to wear Christmas colors which could be a red, green or white leotard or appropriate gym wear; Christmas sweatshirt over their leotards; or something else that is Christmas colors. Bo Bo's Dance supply (in Macon) or Practice Make Perfect (in Warner Robins) has the leotards and skirts. You can invite who you would like, but just keep in mind some classes will be standing room only. Also with the younger children, this can be very overwhelming for them and they may perform or they may not. The studio will be closed from Dec 19th – Jan 1st.

* 2 ½ yr old and Baby 1 (3 & 4 yr old) classes will not do a gym program at Christmas.

The recital costumes have been posted on the wall at the studio. These costumes are for the recital which is scheduled for June 2nd, 2012 for dance. A deposit of \$30.00 is due before we break for Christmas holidays. I will not order your child a costume if the deposit is not paid or if for some reason you let me know that your child will not participate in the recital. The costumes are for dance classes only. Gym students will be posted after the first of the year. If you have any questions about the costumes or recital, please let me know.

Baby 1 classes (3/4 yr olds) will begin tap when they return from Christmas. They will need to bring ballet and tap shoes with their names in both pair of shoes. The tap shoes should be black as this is what they will need for the recital. It is easier for the little ones to keep up with shoes if they have a dance bag to carry them in.
