

Dear Parents,

The 2008 dance recital is quickly approaching. The students have been working very hard all year long. We, here at Peach Productions, are very excited to be videoing the event. We plan to offer DVD's of the recital. The cost of the DVD of one event will be \$32.00. The cost of a dance/gymnastics combo will be \$42.00. This price will include shipping and handling of your video, so that you will receive the most prompt return of your purchase. This video will be a timeless treasure to share with family, friends, and your children and grandchildren years from now.
